## Demonstration Area

### Your products in live application

Your products have to be seen, experienced and felt in practical use, to grasp their benefits and performance? No problem – with our Demonstration Area at Enforce Tac 2023, we make this possible for you!

### Tailor-made for your requirements

Special requisites, accessories and general conditions up to the design of the hall floor in a designated area – bring your equipment and talk to us about your requirements. We are also happy to provide you with equipment within the scope of our possibilities.

### Being fast pays off

Please note that the **number of spots is limited**. Therefore, the offer is only valid as long as there is capacity.
