

Your Product on Enforce Tac TV

The YouTube format Enforce Tac TV enters its second year in 2023. As the bridge to online and on-demand formats, **Enforce Tac TV** is an additional, highly effective channel for you to present your products and services to a wide trade audience well after the trade fair is over. Enforce Tac TV is an ideal medium for producing lasting-impact videos quickly, easily, and with the support of a professional team of media experts.

Sign up today

Do you have an innovative product or solution to meet the challenges that **law enforcement and military personnel** face on a daily basis? We have the **platform** for making your products and services known to a wide trade audience! Make use of the social media reach of Enforce Tac to broaden the scope of your marketing activities.

It pays to act quickly

Please note that **slots are limited**. Thus, the offer only applies for as long as capacities last.

- Live presentation on one day of the exhibition (28 February – 1 March 2023), 20 minutes each.
Limit of three product presentations in one slot.
- The experienced professionals of our media partner Low Ready Media will advise and assist you and ensure that your video is both informative and entertaining.

SAVE WITH OUR PACKAGE DEAL:

You want to present your offer on-site in the BLACKBOX or Demonstration Area and generate on-demand attention in social media with Enforce Tac TV? If you book at least 2 services (Demonstration Area, BLACKBOX, Enforce Tac TV), we will grant you a 10% discount.

Division of time slots: You are not entitled to claim certain time slots. NürnbergMesse will send you a schedule as soon as all registrations have been received. Due to the planning cost, it will not be possible for you to withdraw after you register. The participant guarantees the safety of its presentation and undertakes to carry liability insurance with an adequate cover amount. It shall indemnify NürnbergMesse GmbH from any and all claims asserted in relation to its presentation. We ask for your understanding that we will not be able to grant a slot to each company due to the limited number of participants.

By registering for participation in Enforce Tac TV, you acknowledge the NürnbergMesse General and Special Terms and Conditions of Participation in Trade Fairs and Exhibitions (www.enforcetac.com/richtlinien), including the data protection policy (www.enforcetac.com/de/datenschutz), in all points. Please note that by registering, you undertake to give your registered presentation in the time slot assigned to you. If you fail to appear at the agreed presentation time, NürnbergMesse reserves the right to charge you an expense fee of EUR 100 for each presentation not given.

With regard to products classified as prohibited weapons or objects, please note also that it must be specified in an appropriate Exception Permit issued by the German Federal Police Office (Bundeskriminalamt, BKA) that these weapons and objects may also be presented during the video shoot for Enforce Tac TV. We bring your attention to the section entitled "Application for Exception Permit for Prohibited Weapons and Objects" of the information sheet "Important Information on the Transport and Presentation of Weapons" and ask that you ensure that it is also specified in such an application that the weapons and objects designated therein may also be presented during the video shoot for Enforce Tac TV.
